LINKS TO THIRD PARTY SITES

This Site may contain links to Internet sites controlled or offered by third parties who are not affiliated with ScanCAD International. These links are provided for your convenience. Your use of the hyperlinks on this Site to other Web sites is at your own risk and ScanCAD International is not responsible for the accuracy or reliability of any information, data, opinions, advice or statements made on such linked sites. ScanCAD International makes no representations whatsoever concerning the content of those sites and hereby disclaims liability for any information, materials, products or services posted or offered at any of the third party sites linked to this Site. A link to a site is NOT an endorsement, authorization, sponsorship, or affiliation by or with ScanCAD International with respect to such site or its providers.

PRIVACY INFORMATION

At ScanCAD International, we recognize the importance of protecting the privacy and safety of our customers' confidential information and those who visit our Site. We never sell Confidential Information to others. Information is shared with nonaffiliated third parties only when those parties are acting on our behalf, or as required or permitted by law. You should be aware that linked sites may contain confidentiality provisions that differ from the provisions provided herein. ScanCAD International is not responsible for such provisions, and expressly disclaims any and all liability related to such provisions. ScanCAD International uses encryption technology to protect the privacy of personal information supplied to us or accessed through our Site. To provide you with better service, ScanCAD International may also use "cookies". A cookie is a small bit of information given to your browser by a web site, which can later be retrieved. A cookie is a way for a web site to recognize whether or not you have visited the site before. The cookie cannot be read by a web site other than the one that "set" the cookie. ScanCAD International may use cookies for administrative purposes, such as where we store a password, or where you are able to customize the information you see. Recording cookies at such points is intended to make your online experience easier and faster. ScanCAD International's cookies do not read your hard drive or contain any information that you have not already provided, and will not contain any information that will enable anyone to contact you via telephone or email. Most web browsers may be set to inform you when cookies are set or to prevent them from being recorded on your hard drive.

LOCATION OF PRODUCTS AND SERVICES

The products and services referred to on this Site are offered by or through ScanCAD International or affiliate entities. The products and services and the applicable terms and conditions may change at any time. There may be eligibility requirements for these products and services and they may not be available in all geographic areas. This Site is not intended for distribution to, or use by, any person or entity in any jurisdiction or county where such distribution or use would be contrary to local law or regulation.

JURISDICTION

These Terms and Conditions will be governed by and be interpreted pursuant to the laws of the State of Colorado or the United States, notwithstanding any principles of conflicts of law. The state or federal courts located in Denver, Colorado, shall have exclusive jurisdiction over any cause of action arising out of or related to the content or use of this Site.

ENTIRE AGREEMENT

If any part of these Terms and Conditions is unlawful, void, or unenforceable, that part will be deemed severable and will not affect the validity and enforceability of any remaining provisions. ScanCAD International reserves the right to seek all remedies available at law and in equity for violations of these Terms and Conditions, including the right to block access from a particular Internet address to the Site.
